

## REMARKS

Applicants would like to thank Examiner Jones for the indication of allowable subject matter recited by claims 9-11. In response to the Office Action dated February 15, 2005, Applicants have amended Fig. 4 to include the legend "Prior Art." Applicants have also amended claim 1 to incorporate the allowable subject matter recited by claim 9 and intervening claims 7 and 8. Claims 7-9, 12 and 13 have been canceled, without prejudice or disclaimer. The dependency of claims 10 and 11 have also been amended to depend on amended claim 1. No new matter has been added.

It is noted that although claim 14 is currently withdrawn, the claim dependency thereof has been amended to be dependent upon amended claim 1. As it is believed that claim 1 will be allowed it is respectfully requested that, claim 14 be reinstated. In this regard, it is respectfully submitted that in view of the amendment set forth above, non-elected dependent claims 2-6 and 12-17 are patentable over the cited prior art as each of these claims depends on claim 1. Accordingly, it is respectfully requested that **ALL** non-elected claims be **REJOINED** and allowed.

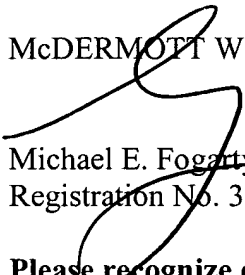

If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicants' attorney at the telephone number shown below.
